About the Camp:

The Emory Sports Fitness Camp (SFC) was founded in 1965 by members of the full-time teaching faculty in the Department of Physical Education. Their goal was to provide children with a fun and safe environment in which to foster a life-long appreciation for physical activity. Children today need physical activity more than ever! Thousands of children have benefitted from the program over the last 55 years and former campers now bring their children to the camp.

Camp dates for this year’s camp are May 28th-31st, June 3rd-7th, June 10th-14th, and June 17th-21st.
