

**WPEC and SAAC Membership Pricing:**

Thank you for your continued support of our facilities and students. We are writing to share with our members about a planned increase to the cost of membership to the Woodruff PE Center (WPEC) and the Student Activity and Academic Center (SAAC). This increase will take effect on July 1, 2024, for new memberships. Membership renewals will be impacted by this increase beginning July 15, 2024. The increase will impact monthly, annual, and payroll deduction membership plans.

This adjustment enables us to address increased operating costs while maintaining excellence in service and facilities to our members. We are also offering new rate options dependent on length of membership. For employees on payroll deduction, you will see this increase on your August paycheck(s) unless you cancel your membership by July 1, 2024.

**Rates effective July 1, 2024**

**WPEC  
(George W. Woodruff PE Center)**
