

EMORY

Athletics and Recreation

Dear Member,

We'd like to thank you for your patronage in our facilities. We are writing today to inform our members of an increase to the cost of membership to the Woodruff PE Center (WPEC). This increase will take effect on August 15, 2022, for membership renewals and new memberships. The increase will impact monthly, annual, and payroll deduction membership plans.

This adjustment – our first in almost 10 years – enables us to address increased operating costs while adding services for members. Membership fees will now include unlimited access to our group fitness classes at the facility of membership. For example, group fitness classes at the WPEC are available to WPEC members only. We will also be adding a dual facility membership payment option and a semesterly payment option for select eligibilities. Dual facility members will have access to group fitness classes at both the WPEC and the Student Activity and Academic Center (SAAC).

For employees on payroll deduction, you will see this increase on your September paycheck(s) unless you cancel your membership by August 15, 2022.

Please see the charts on the next page for our new membership rates effective August 15, 2022.

If interested in SAAC membership, SAAC monthly and annual fees only include use of the SAAC facilities effective August 15, 2022. For information on rates for year-round pool access, please reach out to recwell@emory.edu. If you have any questions about your membership or our new rates or services, please contact recwell@emory.edu.

You can also [visit our website](#) for more information on membership.

We look forward to seeing you in our facilities soon!
